ALL WORK MUST BE INSPECTED
(ROUGH-IN AND FINAL)
CALL CITY HALL AT 952- 227-1180

CALLER MUST PROVIDE NAME, PROPERTY ADDRESS AND PERMIT NUMBER TO SCHEDULE AN INSPECTION

PLANS AND PERMITS MUST BE ON SITE FOR ALL INSPECTIONS

The price of your plumbing permit includes one rough-in and one final inspection.
If more than two inspections are required, you may be billed $23.50 for each additional inspection.

Residential contractors are required to install water meters and are allowed to turn on the water in residential dwellings. The building contractor will continue to pay for the meters and horns. Meters and horns may be picked up at City Hall when you obtain your plumbing permit, or at your convenience. An instruction label will be attached to each meter explaining how to flush the line, install the meter, and call for meter wiring and sealing.

City Hall business hours are from 8:00 AM - 4:30 PM

I hereby apply for a plumbing and/or gas piping permit. I have read and understand the information contained on the application. I state that the information I have supplied is complete and accurate, that the work will be performed in accordance with the codes and statutes of the State of Minnesota and the codes and ordinances of the City of Chanhassen, and the work will be performed in accordance with the approved plans.
